## About us

### SMP DIESEL – KARNATAKA'S PREMIER DIESEL GENERATOR DEALER

Established in the year **2006**, SMP Diesel is a renowned organization located in Bengaluru, India, and is recognized as one of the **leading dealers of Diesel Generators in the state of Karnataka**.

With an extensive range of generators ranging from **10kVA to 1010kVA**, SMP Diesel has been serving a diverse clientele for several years.

We take immense pride in offering comprehensive services related to diesel generators for our customers across all verticals.

 **SMP Diesel** achieved a milestone as the **first Mahindra dealer in South India to successfully synchronize two Diesel Generators** in CPCB IV+, with a capacity of 200KVA, at Skylark Estate Esta, Hoodi, Bengaluru, Karnataka (Nov,2024).
